

Spring 2026

2026 LAKE HOST AT LAUREL LAKE LOCAL BUSINESS SPONSORSHIP

AN OPEN LETTER TO OUR VALUED BUSINESSES IN THE MONADNOCK REGION:

The Laurel Lake Association in Fitzwilliam, New Hampshire would like to invite our local businesses to partner with us as sponsors of our critically important Lake Host Program. This partnership opportunity provides local businesses with front-and-center advertising exposure and high value community engagement with the Laurel Lake community as well as local and regional vacationers. Local business sponsors will receive business name and/or logo placement on various Laurel Lake Association media and publications including its website (<https://www.laurellakeassn.com/>), Facebook page, public ramp kiosk, and seasonal newsletters at levels noted below. Also, sponsors will play an important role in protecting Laurel Lake – rated as one of the cleanest lakes in New Hampshire - from invasive weeds and animals. Protecting the lakes we love and enjoy is a mission we can all rally behind.

2026 LAKE HOST at LAUREL LAKE VALUED BUSINESS PARTNER SPONSORSHIP OPTIONS

1-YEAR VALUED BUSINESS PARTNERSHIP: \$250.00 – Business name and/or logo placement in all Laurel Lake Association media pertaining to the Lake Host Program including, but not limited to, the Association website, Facebook page, annual meeting, and seasonal Association and Town newsletter articles. We'll talk you up whenever and wherever we can!

3-YEAR VALUED BUSINESS PARTNERSHIP: \$600.00 – This option provides local businesses with 3 years of sponsorship and promotional benefits locked-in at a 20% discounted rate. This reduced sponsorship rate is one way for us to say thank you to our repeat Lake Host sponsors. Please consider making a 3-year sponsorship commitment at this great discounted rate.

THE VALUE OF BEING A LAKE HOST LOCAL BUSINESS PARTNER

Our local quality of life and economy are built around our natural resources. Keeping those resources healthy and desirable is a win-win value proposition for all of us. Lake Host local business sponsors increase their business advertising with a sizable local and regional cohort. They also increase their exposure as businesses that support local lake life as well as the natural resources that we care about. All Lake Host local business sponsorship funding goes directly to pay seasonal Lake Host Inspectors at our public boat ramp, so our Lake Host business sponsors know that their sponsorship dollars are going where they can make the greatest impact. This makes our local business sponsorship equation simple yet important: the more funding we have for our Lake Host Program, the more ramp coverage hours we can provide - and the greater the number of ramp hours, the greater our first line of defense in keeping Laurel Lake free from invasive species.

THE IMPORTANCE OF THE LAKE HOST PROGRAM

The Lake Host Program is a courtesy boat inspection program administered by NH LAKES (<https://nhlakes.org/>) to prevent the introduction and spread of aquatic invasive species, plants and animals into NH lakes. The Laurel Lake Association serves as the local coordinator of this program on Laurel Lake. The Lake Host Program is our first line of defense against invasive species hitchhiking into our lake by watercraft entering at the public boat ramp. Invasives diminish the overall quality of lake life - swimming, boating, fishing, and often property values for those owning lake property. The Lake Host Program uses volunteer and paid Lake Host Inspectors to greet visitors at the public boat ramp, share info about New Hampshire's "Clean. Drain. Dry." law, and check for any invasives attached to boats and trailers. It's worth noting that over the past 3 summers, our Lake Hosts have spotted and removed invasives like Eurasian Milfoil from watercraft coming into Laurel Lake via the public ramp!

The Laurel Lake Association welcomes and greatly appreciates local business sponsorship to support our Lake Host Program. Interested local businesses can reach out to us at lakehost@laurellakeassn.com or chipyensan@gmail.com to learn more about being a Lake Host local business sponsor. Thank you for your consideration and we look forward to you joining our list of valued business sponsors.
